## NO BOND ISSUE IN NOVEMBER

The Alameda County Board of Supervisors this week informed City Engineer E. A. Tarr that there would not be room on the November general election ballot for Albany's proposed street improvement bond issue.

Tarr said he planned to seek approval from the City Council to carry campaign in January for a special election in the spring to get over the bond issue.

"There are enough funds at present to start some improvements on streets most badly in need of repair," Tarr said. "However, any extended resurfacing and paving project would have to be backed by additional funds."

Just how much will be asked in the proposed issue has not been determined, but it is estimated to be a greater sum than the \$176,000 defeated by a narrow margin two years ago. A five year plan of street and sewerage improvement anticipated with money from the state, county and bond issue funds.

### Eagle Initiation

Bayview, Aerie 2323, Fraternal Order of Eagles, will initiate a large group of candidates at their meeting Monday night, Sept. 20 in Macpherson Hall, Kains and Marin Aves. President Tony Kallberer and other eagle officers will preside over the ceremonies. All Eagles are urged to attend this meeting.

### Dump Closed

Albany residents are again reminded that the City Dump will be closed Monday through Saturday during the racing season at Golden Gate Fields. Residents may use the facilities of the Berkeley dump, located at the foot of Virginia St. on the Eastshore Highway. There is no charge to Albanyans for this service.

The Albany Dump will be open for local residents on Sundays from 9 a. m. until 3:45 p. m.

## Pre-School Play Centers Reflect Pioneer Spirit

Cooperative Pre-School Play centers are a positive evidence of the continuing presence of the pioneer spirit in American life. Seeing new fields of knowledge to explore and new values to be realized for the children of our country, the play centers are forging ahead.

Through them, mothers become members of friendly social neighborhood groups in which they experience cooperative effort in supervising their children, maintaining school equipment, planning school activities; earn a degree of relief from the pressure of continuous child care with the assurance that the children are happy and well supervised while away from home; and share in the club social functions.

Through pre-school programs community safety is increased, for with little children off the streets and sidewalks many traffic hazards are eliminated and lives saved. Also, school safety is more complete than safety in an extensive home environment for the supervision is constant and all elements of potential danger are conscientiously removed from the environment.

And again, pre-schools contribute to the further advancement of adult and child education. For through them, mothers attend lectures pertinent to the better raising

### Rotary District Governor Speaks At Local Club

Speaking before a large gathering of Albany Rotarians on Monday, Sept. 13, Alfred Tisch, governor of the 105th District of Rotary International, emphasized the role played by Rotarians in local, national and international affairs.

Choosing "Rotary's Challenge" as his topic, Tisch told of how Rotarians in key positions of the United Nations Organization have worked to further world peace and of the parts played by famous Rotarians in democratic and parliamentary governments.

Tisch conferred with President George Bernard, Secretary William Woolworth and other officers of the club on matters of administration at a meeting held in the "Y" Community Center on Monday night.

Chosen as program chairman for next Monday's meeting, Robert Woolworth has announced a sports program. Bob Alameda, coach of the Oakland Bitters basketball team and Don Barksdale, member of the Bitters and of the championship U. S. Olympic basketball team, will be guest speakers.

### Exchange Picnic

The annual Exchange Club picnic will be held this year at the Old Hearst Ranch, Pleasanton, Sunday, Sept. 19 from 9 a. m. to 7 p. m., according to an announcement by President Henry Villa.

Chairman George Fiderio has asked that those who have not purchased their tickets contact him immediately. The price of the ticket includes admission to the ranch, swimming, golfing, other activities and a barbecued steak or chicken dinner.

Members of the Albany Chamber of Commerce will be guests of the El Cerrito Centennial festival at a dinner in El Cerrito and entertainment at Golden Gate Fields on Friday, Sept. 17.

First person to officially enter the new C. M. MacGregor Elementary School was Mrs. Delsa Walton, president of the Albany Board of Education. Here C. M. MacGregor, for whom the school was named in recognition for his work in behalf of Albany children, opens the door at the dedication ceremonies held Sunday.

## New Fire Truck Provides Maximum In Protection

The latest in streamlined beauty and efficiency is represented in the new fire engine delivered to the Albany Fire Department last Friday by the P. E. Van Pelt Co. of Oakland, Calif. The city is using the equipment on a rental contract at \$290 per month with an option to buy. Cost of the truck is approximately \$15,640.

The new engine is equipped with a two-way FM radio set making Albany the second city in this area to install such service in fire equipment. Berkeley was the first.

Capable of pumping 1000 gallons of water per minute, the new truck will afford complete fire protection for new schools and apartment houses now being built in Albany. Fire Chief Fred Pimental pointed out that the greater pumping capacity will mean added protection for homes on Albany Hill. Equipped with a double hose rack, the engine carries 2400 feet of hose.

Pimental reported that firemen from neighboring cities have visited the fire house during the past week to see and admire the new truck. Many new developments in fire equipment are incorporated in the machine making it of great interest to the visitors.

The exalted position of Police Commissioner is no bed of roses, Councilman Frank Graeber reports. He was accosted twice within two blocks Sunday by citizens who each wanted stop signs on intersections near their homes.

The lads at the firehouse are polishing their brass and braid to ride in style on the new fire truck. Mr. and Mrs. Frank Gira and son, Eddie reluctantly resumed fall activities this week after their vacation at Guerneville on the Russian River. Frank played with the Russian River Merchants ball club during the season there. Mrs. Gira is the homemaker chairman for Cornell P.T.A.

Mr. and Mrs. W. F. Lemox, he is the Solano Ave. photog who snaps many of the pics for the Times, flew down to Pasadena over the Labor Day holidays to visit his brother. Added thrills came in the fact that it was the first plane trip for both.

Wilbur Gram is back in the Post Office after attending the postal clerk's convention in Miami, Fla. (Let's have none of your corny Chamber of Commerce comments, Morgan).

Saw Jean Schneider, veddy, veddy demure secretary to Cornell School Principal Milton Gordon, wearing pig-tails last weekend.

### Albany Sorooptimist News By BEA RAYMOND

The regular weekly meeting of the Sorooptimist Club was held September 15. President May Olson, wedding the gavel, announced we would have a full and very interesting program and as usual, she was right.

First was the introduction of guests: Violet Richardson Ward, Berkeley Sorooptimist, Superintendent of Health and Physical Education and Bernice Boyd, Assistant Treasurer of Albany Savings and Loan Association. Nell Moore introduced her guest, Ruby Kampe of Moore's Electric. Minnie Lou Eakin had as her guests Bertha Scholz, Albany; Ethel Wilcox of Oakland and Mrs. E. C. Labodis of Oakland.

Myrtle Moncrief and Kay Fritz paid birthday fines and in return listened to the birthday song. A nice little ditty dedicated to Irene Villa of Villa's Motors was sung preceding a report of the social activities she enjoyed as a delegate to the Sorooptimist bi-annual convention in Toronto, Canada. Her talk was both educational and interesting.

A ditty was sung to our globe trotter Minnie Lou Eakin preceding her speech concerning her recent trip to Alaska with the Oakland Chamber of Commerce, Minnie Lou, builder of homes, is one of the most vivacious speakers it has been our privilege to hear. She accompanied her speech with photographs but her knack of description made things more vivid than the pictures. She almost made us as sea-sick as she was. We strolled through lover's lane with her and felt almost as put out as she because there were only four eligible men for the 18 widows on the trip.

Notice  
Police Chief Stanley Williams has again found it necessary to warn youngsters against riding their bicycles on sidewalks in the business district. Complaints have been received by the Police Department of youngsters endangering walkers by this practice. Chief Williams asks parents to bring this matter strongly to the attention of their children to avoid official action.

### Berkeley-Albany Jr. Red Cross Check To Reactivate Clinic

Alfred E. Maffly, Administrator of Herrick Memorial Hospital received a \$540.00 check from Miss Pat Tazer, Council President (Berkeley High School senior), and Carrol B. Johnson, Volunteer Chairman of the Junior Red Cross by which to reactivate a much needed part-pay community dental health clinic at the new Herrick Memorial Hospital in Berkeley for Berkeley and Albany school children from the low income families. The fund was collected by Berkeley and Albany school children to be used for a community service.

This money will subsidize the major portion of a dentist's salary one morning a week over a period of a year. The Herrick Hospital Guild, through its philanthropic activities, will complement the contribution to meet the balance of the deficit for one morning a week. The Hospital is donating the dental facilities and room at the clinics.

### Maccabees Plan Picnic Sunday At Anza Park

Albany Maccabees, their families and friends will meet in Anza Park Sunday, Sept. 19 for their regular family outing. A full day of games and contests with prizes for young and old is planned, according to Theo Kurtz, president of Albany Tent 124. There will be free coffee for all picnickers.

The shortest route to Anza Park, in the Tilden Regional Park area, is out Spruce St. to the Spruce St. Gate. Turn through the gate and drive along Grizzly Peak Blvd. to Shasta Gate. A left turn through Shasta Gate and a short downhill drive will reach Anza Park.

At the Thursday night meeting of the Maccabees Police Chief Stanley Williams and an officer from his department entertained members with a discussion of police work.

### PTA Council to Hold Information School

The Berkeley-Albany Council of Parent-Teacher Associations will hold its annual School of Information on Friday, Sept. 17, at the First Presbyterian Church, Dana and Channing Way in Berkeley, under the direction of Mrs. H. R. Dukatz, chairman of the day.

Registration will be at 9:15 a. m. The meeting will be called to order at 9:30 a. m. by the president, Mrs. V. A. Clemens. After the short business meeting there will be conferences conducted by officers and chairmen of the Council. These conferences are planned to instruct and assist the new unit chairmen to get started in their year's work. It is hoped that there will be a large representation of each unit.

At 12:00 o'clock luncheon will be served in the Social Hall. Reservations should be made with Mrs. Floyd Dresser, 1814 Short Street, Berkeley.

During the lunch hour school superintendents, principals, and special guests will be introduced. There will be no afternoon meeting.

Classified ads will be found on pages four and six of this issue.

We felt like remitting the two dollar fine she had to pay the Kangaroo Court in Skagway where they were having their centennial. She danced with "Soapy Smith."

Minnie Lou took the trip to Alaska for a rest but according to her report about the only rest she got was while she was at sea and could not get out of bed, being a little too sick to live and not quite sick enough to die.

## TARR GIVES REPORT ON SEWERAGE

Inadequate engineering on storm and sanitary drains laid some 28 years ago was blamed Monday night by City Engineer E. A. Tarr for a situation which may prove costly to this city.

In reply to a petition signed by 40 residents of the southern section of Albany, Tarr investigated sewerage smells coming from a storm drain at the corner of Key Route Blvd. and Masonic Ave.

Reporting his findings to the council Tarr revealed that sanitary and storm drains had been laid parallel in a westerly direction from Ventura to San Pablo Ave. Cracks in the sanitary drain have allowed the sewerage to seep into the storm drain. Members of the Street Department are conducting tests to determine the exact spots at which the seepage occurs in various places all along the line. When the survey is complete work will be started to patch up the leaks.

"The only permanent solution," Tarr said, "would be to relocate the sanitary drain far enough away to prevent infiltration into the storm drain. This would cost approximately \$50,000. I don't see how it can be financed without a bond issue."

Councilman Lawrence Williams moved a copy of Tarr's report be circulated among the petitioners.

E. H. Brown of 541 Key Route Blvd. asked that a stop sign be placed on Thousand Oaks Blvd. at the corner of Key Route to slow down traffic. He said an accident had occurred at the corner last week and that traffic was always fast there. Councilman Frank Graeber promised a police survey but said he was against placing too many stop signs in the city.

### Marion Cuneo, Don Graeber Plan June Vows

A June wedding is planned by Miss Marian Cuneo of San Francisco and Donald Eric Graeber of Albany.

Marian is the daughter of Mr. and Mrs. Michael Cuneo of 446 Faxon Ave. She attended San Francisco City College following her graduation from Lincoln High School. She is now with the Title Insurance Company of San Francisco.

Donald is the son of City Councilman and Mrs. Charles F. Gaerber of 1061 Peralta Ave. A veteran of service with the Marine Corps, he is now attending San Francisco City College where he is majoring in business administration.

Don is the brother of Mrs. Rita and G. DeWitt (Betty Graeber) of Long Beach. Mrs. Joseph Egenberger (Lorraine Graeber) of Albany and Frank Graeber, also of Albany.

### Warning

As the threatened gasoline shortage grows more acute, Fire Chief Fred Pimental again warned residents against stocking up on gasoline in violation of fire safety regulations.

"Storage of gasoline in the home over a specified amount is in violation of the law and in view of the fire hazard this practice constitutes, violators are threatened with a serious penalty," the Chief said. "One gallon in an approved container is a safe amount at any time and this should be kept outside the home in a safe place."

### St. Alban's Church School Fall Term Will Start Sunday

The fall term of the St. Alban's Church school will open this Sunday at 9:15 a. m. There will be classes for all ages from nursery to adults. The earlier starting hour is to allow time for a first-class staff to do a good job of educating the pupils, with a service of worship in "junior" church and a full forty-minute class period. The worship is conducted by Dr. Randolph Crump Miller, vicar of the church and professor of Christian education at the Church Divinity School of the Pacific, who has graded the worship and the sermonette to the level of the pupils. A completely modern course of lesson materials is used, so that the pupils learn the essentials of Christianity and yet never learn anything that needs to be unlearned; the approach is frankly liberal and modern, and the best methods of teaching are used. New this year is the class for adults, which will be taught for the first unit by Dr. Miller. It will deal with the essentials of the faith, with the Bible and Prayer Book, and with the place of the home in the Christian nurture of children. While it is primarily for parents who bring their children to the school, it is open to all adults. The staff consists of trained and experienced teachers, some of whom are teachers in the public and private schools, some young mothers and fathers, and some trained in the professional schools of religious education. Children enrolled in St. Alban's are expected to be present every Sunday promptly at 9:15 a. m. Even the youngest take part in the opening service, although they are dismissed to their classes at 9:20, while the first grade and up remain until 9:50. Dr. Miller will preach on "When Life Seems Hard" at 11 a. m.
